

Since 1992 I own Siberian Huskies. I started breeding in 1995 under the FCI kennel name Hightowers. From the beginning it was my dream to be a judge in the future. With 25 years I started my judging education. Nowadays I am specialist for 44 breeds from group 1, 5 and 10. I am also allowed to judge the whole FCI groups 2,5,6,8 and 10. I have been judging in almost all European countries and Australia.

Since many years I am the president of the German club for Nordic breeds – DCNH e. V. – who is the oldest breed club for nordic breeds in the VDH and responsible for 28 breeds.

Many thanks to the KCHH.

I wish al exhibitors good luck!
